Individual and Business Tax Planning Strategies after the Tax Cuts and Jobs Act

Webinar Dates: June 6, June 14

In many cases, the tax changes that took effect in 2018 present opportunities for individuals and businesses to reduce their tax liabilities. However, unless these new rules are implemented in an effective and timely manner, neither individuals nor businesses can benefit from them. This program covers the planning strategies individuals and businesses can use to reduce their tax liabilities, based on the tax changes that took effect for 2018 and after.

Key Topics

- How to implement and maximize the 20% deduction for pass-through entities
- Deciding whether a change of entity is appropriate
- How to treat alimony under the new law
- Whether to elect Section 179 and bonus depreciation
- Handling excess business losses of individuals
- Forgoing home-equity debt treatment to maximize interest deductions
- Dealing with the limitation on deduction of net business interest expense
- The limitation on deduction of expenses for entertainment and certain fringe benefits by employers
